1. As per the Judgment dated 19.12.2022, the Hon'ble High Court of Kerala in WP(C) No. 2661/2022 directed the competent authority University, to issue appropriate orders with regard to the initial appointment of Dr.Tintu K.Kuruvilla as Assistant Professor in Physics, at Bishop Moore College, Mavelikara, quashing the letters dated 23.07.2021 & 21.12.2021 issued by the Higher Education Department, letter dated 18.08.2021 issued by the Deputy Director of Collegiate Education, Kollam and letter dated 05.10.2021 issued by the Director of Collegiate Education, Thiruvananthapuram.
2. The Government is the competent authority to sanction the post of Assistant Professors in Private Aided Colleges as per Section 57 (1) of the Kerala University Act 1974.
3. The Government vide letter No. HEDN-D1/36/2023-HEDN-Part (1) dated 16.12.2023 informed the University that there is no sufficient workload in the Department of Physics at Bishop Moore College, Mavelikara to accommodate the petitioner as the 9th teacher with effect from 01.06.2020 against a permissible seven sanctioned posts as on the date.

Considering the above points the Syndicate resolved to reject the proposal for the approval of the Initial appointment of Dr.Tintu K Kuruvilla as Assistant Professor in Physics at Bishop Moore College Mavelikkara in the light of (2) & (3) above. Further resolved not to prefer appeal against the Judgment dated 19.12.2022 of the Hon'ble High Court of Kerala in WP(C) No. 2661/2022, since the University had already complied with the directions of the Court and to inform the Government accordingly.

- Accordingly, the University as per letter dated 11.01.2024, communicated the syndicate decision to the Manager, Bishop Moore College, Mavelikara. The Syndicate decision was also communicated to the Government.
- Meanwhile, Dr.Tintu K.Kuruvilla had filed a WP(C) No. 5756 of 2024 before the Hon'ble High Court of Kerala, aggrieved by the order of the University dated 11.01.2024.
- Now, the Hon'ble High Court of Kerala vide its Judgment dated 08.10.2025 in WP(C) No. 5756 of 2024, disposed of the writ petition filed by Dr.Tintu K.Kuruvilla by quashing the letter dated 11.01.2024 issued by the University to Bishop Moore College, Mavelikara with a direction to the University to grant approval of appointment to the petitioner based on appointment order dated 26.05.2020 issued by the Manager, Bishop Moore college and further directed the Government to ensure that the salary of the petitioner is released to her, upon an order of approval being issued by the University. Also ordered that the University shall pass necessary orders in this regard within a period of one month from the date of receipt of a copy of this Judgment.

Observations of the Hon'ble High Court of Kerala

- While considering the aforesaid objections, the crucial aspect to be noticed is that, as far as the determination of the working hours are 124 hours, as made by the respondent University is concerned, it is to be noted that such an assessment was made, in view of the cancellation of the PG weightage. **Such cancellation of the PG weightage came into force by virtue of G.O (Ms.) No.155/2020/HEDN dated 01.04.2020. However, in the light of G.O.(Ms) No. 313/2020/ HEDN dated 11.09.2020, the G.O dated 01.04.2020 will have effect only from 01.06.2020 onwards and the appointment of the petitioner was made prior to the said date**. Evidently, as per the stipulations in G.O dated 11.09.2020, all the appointments made prior to 31.05.2020 should be approved adopting the criteria existed at the relevant time as per the Government Orders issued in this regard. As on 26.05.2020, the relevant Government Order applicable was GO (Ms) No.93/2018/H.Edn dated 09.05.2018, and if the criteria applicable in GO dated 09.05.2018 Government order is adopted, it was possible for the 5th respondent to have posts going by the workload available i.e 142 hours per week.
- Of course it is contended by the respondent University that, the number of sanctioned posts was not 9 but only 7. The specific contention raised by the learned counsel for the petitioner

in this regard is that, prior to 2005, there existed 9 posts of Assistant Professors in the department concerned, of the 5th respondent College. It is pointed out that the manner in which the posts which were in existence prior to 2005 could be abolished, was considered by the Full Bench of this Court in Anas.N's case (supra), and it was categorically observed that, **in cases where posts were sanctioned before 2005 amendment, such posts cannot be abolished by the Government, based on the amendment made in the University Act in the year 2005.** In this case, there is no dispute that there were 9 posts in existence prior to 2005. **In this regard it is also to be noted that the judgment rendered by the Full Bench in Anas's case, in paragraph 17 clause (v) it is clearly observed that, based on work assessment before 2005, if any posts stood reduced, such posts shall nevertheless be deemed to continue in existence unless it has been expressly abolished by the approving authority**. For future approval, no sanction of the Government is required in respect of such posts, provided they have not been abolished by the approving authority and the workload assessment justifies approval of appointment to them.

- In this case, as it is an undisputed fact that, 9 posts existed prior to 2005 in the 5th respondent College and **there is nothing on record to indicate that the number of posts have been reduced by way of an order specifically abolishing the same**, the principles laid down by this Court in the Full Bench as referred to above would be applicable. This would mean that, the 9 posts which were in existence prior to 2005, will continue in the 5th respondent college particularly since, the criteria stipulated by this Court in Full Bench, i.e., the requirement of the workload, is also satisfied. In this regard, it is also to be noted that in paragraph 20 of the judgment rendered by the Full Bench, it is further made clear that, a post does not stand extinguished merely based on a workload assessment, unless the competent authority has consciously abolished it. As observed above, in this case there is no such order of abolishing the post and it is also to be noted that, there is sufficient workload as per the criteria stipulated in GO dated 09.05.2018 as on the date of appointment of the petitioner. In such circumstances, I do not find any justifiable reasons to uphold the stand taken by the respondents while rejecting the approval of appointment of the petitioner.
- Of course the learned Government Pleader pointed out by placing reliance upon Ext.R1(a) that, as per the workload assessment, in the year 2002 there were only 8 posts sanctioned. However, the documents produced by the 5th respondent college particularly Ext.R5(a) (Paybill of teaching staff for the month of February 2012) and R5(c) (Details of retirement, appointment to the retirement vacancies and other details are given in a table) would indicate that all along 9 persons were working in the 5th respondent college as Assistant Professors in the Department of Physics and all the appointments made against those nine posts were approved and salaries were being paid. The petitioner was appointed against the vacancy that arose on 31.05.2016 and it is also the case of the petitioner that for the appointments made after the said date also approval was granted by the University. Therefore, I not find any justifiable reason to accept the contention of the respondent relying upon Ext R1(a).

In the light of the above facts, the Educational Agency has submitted the particulars of the actual proposal of initial appointment of Dr.Tintu K.Kuruvilla as Assistant Professor in the Department of Physics w.e.f 01.06.2020.

Considering the urgency regarding the compliance of the judgment within the time limit, the Hon'ble Vice-Chancellor has ordered to place the proposal for approval of the initial appointment of Dr.Tintu K.Kuruvilla as Assistant Professor in the Department of Physics at Bishop Moore College, Mavelikara w.e.f 01.06.2020 FN, along with the Judgment dated 08.10.2025, **before the Syndicate.**

Since the Syndicate held on 01.11.2025 has not considered the above item and in view of the time limit prescribed by the Hon'ble High Court, the Vice Chancellor, in exercising the powers vested on him under section 10(13) of the Kerala University Act, 1974, **has ordered to seek views of the State Government on the judgment** regarding the abolishment of posts in Bishop Moore College, Mavelikara and exploring the possibility of filing an appeal against the Judgment. **Further ordered to file a time enlargement petition** before the Hon'ble High Court requesting more time to the University to make an appropriate decision on the Judgment.

REGISTRAR (I/C) **VICE-CHANCELLOR**

Accordingly, University, as per letter dated 12.11.2025, has sought views of the Government on the above judgment of the Hon'ble High Court of Kerala, and a note dated 19.11.2025 has been forwarded to Legal section to take necessary steps to file a time enlargement petition before the Hon'ble High Court of Kerala requesting more time to the University to make an appropriate decision on the judgment dated 08.10.2025 in WP(C) No. 5756 of 2024 filed by Dr.Tintu K.Kuruvilla.

Meanwhile, the Principal Secretary to Government, Higher Education (C) Department as per letter dated 21.11.2025 has informed the following:

- As per the workload statement of the Department of Physics, Bishop Moore College, as on 17.10.2019, the total workload was 142 hours, with 8 sanctioned posts. **The appointment given to Smt. Tintu Kuruvila on 26.05.2020, without the availability of a sanctioned post, is not regular.** As per para 2(iii) of G.O.(Ms) No. 313/2020/HEDN dated 01.09.2020, only those appointments made between 09.05.2018 and 31.05.2020 and pending approval shall be considered. However, the petitioner joined service only on 01.06.2020, which falls outside the permissible period.
- On 01.06.2020, the date on which the petitioner entered service, the workload of the Physics Department had already reduced to 124 hours based on G.O.(Ms) No. 155/2020/HEDN dated 01.04.2020, justifying only 7 sanctioned posts. Consequently, one among the 8 sanctioned posts became excess, making it impossible to create an additional post to accommodate the petitioner when one teacher remains excess.
- Although the Manager appointed Dr. Tintu Kuruvila based on the workload provisions under G.O.(Ms) No. 93/2018/HEDN dated 09.05.2018, Section 57(1) of the University Act stipulates that appointments shall be made only to the posts approved by the Government. Therefore, the appointment made on 26.05.2020 without an approved post is irregular. Since G.O.(Ms) No. 155/2020/HEDN was already in force, reducing the workload to 124 hours, **the appointment cannot be accepted.**
- **Hence, the Government adheres to its earlier stand, and directed to the University to take necessary steps to file an appeal against the judgment dated 08/10/2025 in WP(C) No. 5756/2024.**

The Hon'ble Vice Chancellor, after perused the above Government letter, ordered to file an appeal against the judgment in WP(C) No. 5756 of 2024 dated 08.10.2025. Accordingly, a note dated 29.11.2025 has been forwarded to Legal Section to do the needful for preferring an appeal against the judgment in WP(C) No. 5756 of 2024 dated 08.10.2025.

The current status on the above matter is hereby reported to the Syndicate.

(Ac.AV(A)

Ministry of Education, Govt. of Indiavia Letter No.D.O.No.16-15/2020-TEL-Part (4) dated 10.06.2025 has informed that the Higher Education Institutions need to upload the National Credit Framework (NCrF) levels within the programme while uploading credit data with the student APAAR IDs, since uploading NCrF levels is important in creating a standardised system for credit accumulation, transfer, recognition and redemption across various educational and skill based programmes.

The meeting held on 18.09.2025 vide item No.4, to discuss various matters related to FYUG programmes, considered the matter of determining the NCrF levels and recommended that NCrF levels as determined by the UGC can be implemented for FYUG Programmes.

Item No.27.133 ***Minutes of the meeting to discuss urgent provisions for meeting the fuel expenses of Transport Wing and Examination Wing - reporting- reg.***

(Ad.AIV A)

The vehicles under the Examination Wing and Transport Wing of University are being fuelled on a credit basis from M/s T.K. Varghese and Sons, IOC dealer, Ulloor, Thiruvananthapuram, with payments settled on a fortnight basis. As per the email dated 17.03.2026 from the Assistant Engineer (Mechanical), the said firm has informed their inability to continue the existing credit facility for fuel supply to University vehicles and reported that Indian Oil Company has decided to supply petroleum products to dealers only on a cash and carry basis with immediate effect due to the prevailing market conditions arising from the current war situation. All supplies will therefore be made strictly against advance payment / cash basis.

Generally, University purchases fuel worth approximately Rs.1.5 Lakhs from the fuel supplier M/s TK Varghese on a fortnight basis for vehicles in Examination Wing and Transport Wing. In view of the above, the Assistant Engineer (Mechanical) has suggested that urgent steps may be taken to convene a meeting of all stakeholders to deliberate and implement a feasible solution, so as to avoid any disruption to bus operations and vehicle movement for operation of Examination Wing.

Accordingly, an urgent meeting was convened on 17.03.2026 at the Registrar's Office to discuss immediate arrangements for meeting the fuel expenses and the meeting recommended to release an amount of ₹2,00,000/- (Rupees Two Lakh Only) to Sri. Sandeep Krishnan R., Assistant Engineer (Mechanical), as Provisional Advance to meet the fuel expenses of vehicles under Examination Wing and Transport Wing and to remit all fuel expenses through Cheque/Online/UPI mode of payment. The Vice Chancellor has approved the minutes of the meeting subject to report to the Syndicate. Accordingly, U.O No. 3167/2026/UOK dated 18.03.2026 regarding the release of

Provisional Advance to Sri. Sandeep Krishnan R, Assistant Engineer (Mechanical) was issued.

As per the orders of the Vice-Chancellor, the matter along with the minutes of the meeting held on 17.03.2026 is reported to the Syndicate.

The meeting commenced at 04.30 pm. At the outset, the Assistant Engineer (Mechanical) briefed on the current situation arising from the discontinuation of credit supply of fuel by M/s TK Varghese and Sons, Ulloor, Thiruvananthapuram, the IOC dealer supplying fuel to University vehicles of Examination Wing and Transport Wing. The crisis occurred due to the prevailing market conditions and the losses being faced by the company arising from the current war situation.

Currently, the vehicles under the Examination Wing and Transport Wing have been availing fuel from M/s T K Varghese and Sons, Ulloor, Thiruvananthapuram on credit basis in a fortnight settlement. Now, the firm is not in a position to continue extending credit facilities for fuel purchase by University. However, the firm has informed that henceforth, fuel will be supplied only on a cash and carry or advance payment basis with immediate effect.

The University purchases fuel worth approximately Rs.1.5 Lakhs from the fuel supplier M/s T K Varghese and Sons on a fortnight basis for the vehicles in the Examination Wing and Transport Wing of the University.

After detailed discussions and deliberations on tackling the current crisis, the meeting recommended that the following measures be adopted to meet the fuel expenses for a period of one month on an urgent basis, in view of the financial year ending and the administrative exigency.

Recommendations:

1. To release an amount of ₹2 lakh to Sri. Sandeep Krishnan R., the Assistant Engineer (Mechanical) as Provisional Advance to meet the fuel expenses of vehicles under Examination Wing and Transport Wing.

Item No.27.187.04 Complaint regarding malpractice done by Najimi.R on 15.01.2025 at B. Com 5th semester Marketing Management examination – Note from Ac B1 Section

A group of students from Iqbal College, Peringammala submitted a complaint alleging malpractice, by Najimi R, during the S5 B.Com Marketing Management Examination on 15.01.2025. It is alleged that Najmi.R wrote the examination by copying from paper bits. Also stated that the proof of the malpractice is captured by the CCTV cameras in the examination hall.

In this regard, a report was sought from the Principal (No.9139/Ac B1/2025/UOK dated13.02.2025) and the Principal forwarded report (No. IC.AC2/236/2025 dated 28.02.2025) along with the explanation of Chief Examination Superintendent and Examination Invigilator wherein it was mentioned that Najmi.R was warned for misbehaviour in the examination hall, but no bits of paper was traced from the candidate.From the report of the Principal , it was evident that Najimi R was indisciplined during the exam hall and the manner of indiscipline was not mentioned.Also even after repeated warnings she was allowed to write the examination. This act itself strengthens the complaint from the part of students. The report of the Principal was ambiguous since the student was asked to change seat only at the end of examination, and at the same time she returned the answer scripts without obeying the same.

Hence as per the orders of the Registrar, CCTV footages of the examination hall was sought from the Principal (No.9139/Ac B1/2025/UOK dated 03.04.2025).The Principal has reported (letter No. IC.E1.374/2025 dated 11.04.2025) that the CCTV footages of all the examination halls are collected in same hard disk. CCTV audio and video footage of the examinations including that held in the AN of 15th January 2025 has been overwritten beyond recovery and hence could not be made available. Also assured that in order to overcome technical difficulties in future, hard disk with more capacity will be installed for collecting audio and video footage. Further forwarded report of the Chief Superintendent of Examinations of the college stating that no bits of paper was traced from the candidate but she was warned for looking back repeatedly. It is also informed that the Principal has not received any complaint related to the University Examination held on 15.01.2025 either from the Chief Superintendent or from the teacher on Invigilation duty and apologized for the inconvenience caused to the University.

It may be noted that, as the CCTV footages could not be verified, the depth of the complaint could not be ascertained. As per the orders of the Vice Chancellor, the above matter was placed before the Standing Committee of the Syndicate on Examinations for consideration and recommendation. The committee considered the above matter on 23.06.2025 and recommended that the item be referred to the Standing Committee of the Syndicate on Student's Discipline. The meeting of the Syndicate held on 24.12.2025 approved the above recommendation of the SC of the Syndicate on Examination. As per the orders of the Vice Chancellor, the above matter is placed before the Standing Committee of the Syndicate on Student's Discipline for consideration and recommendation.

Recommendations of the Committee:

The Committee considered the matter and recommended to hear Dr. Shameer H, Chief

Superintendent of University Examinations, Iqbal College, Peringammala, who was on duty on the day of the incident, in its next meeting.

Resolution of the Syndicate

RESOLVED that the action taken by the Vice-Chancellor in having accorded sanction as detailed above, be noted.

Item No.27.190 .01 ***Allegations of malpractice in the university examinations against all the candidates called for the hearing before the Standing Committee of the Syndicate on Students' Discipline, along with the corresponding findings, observations and recommendations made by the Committee against these candidates - reg.***

Ninety Two (92) candidates were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline in connection with the allegations of malpractice in the University Examinations. Out of them, **Seventy Eight (78)** candidates appeared for the hearing.

Certain matters related to the suspicion of malpractice having occurred during the examinations as suspected by the examiner/s during the valuation of the answer scripts in the examination valuation camps, and, the corresponding suspected candidate/s being called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline, are as mentioned below:

A)For the same examination, usually the candidates alleged of malpractice and reported from the examination halls are reported well ahead of the candidates alleged and reported from the valuation

camps/revaluation on suspicion of malpractice, wherein the valuation/revaluation is conducted later after the conclusion of the examinations,

B)Normally, the candidates alleged of malpractice are called for the personal hearings before the Standing Committee of the Syndicate on Students' Discipline, based on the chronological order in which the corresponding files related to the alleged malpractice of each such candidate is received in the Students Discipline Cell (SDC). Therefore the candidates reported from the examination hall are incidentally called for the personal hearing well ahead of the candidates reported from the valuation camps/revaluation, although both malpractice allegations may pertain to the same examination,

C)This causes considerable delay in taking decisions on the allegations of suspected malpractice of candidates that are reported from the valuation camps/revaluation, as compared to the allegations of malpractice of candidates reported from the examination hall, although both kind of allegations may pertain to the same examination,

D)Moreover majority of the candidates alleged of malpractice from the examination halls are reported with sufficient evidence like possession of handwritten manuscripts, photostat copies, printed material from the textbooks/guides, etc. of having committed the malpractice. On the contrary, many of the suspected malpractice allegations raised from the valuation camps like discrepancy noted in handwriting in answer scripts of candidates, etc., are without sufficient evidence as mentioned above and are based on the suspicion of the examiner/s during the valuation of the answer scripts. The guilt on the part of such candidates alleged of suspected malpractice from the valuation camps/revaluation need to be further established or exonerated based on the personal hearing of such candidates and further verification,

E)Hence a delay in the personal hearing of those candidates alleged of suspected malpractice from the valuation camps/revaluation and later if exonerated, can hamper their chances of appearing for further examinations even though sufficient evidence as mentioned above may not be available pertaining to the allegations,

F)Also the candidates alleged of malpractice from the examination hall are well aware of their malpractice issue, however, the candidates alleged of suspicion of malpractice from the valuation camps/revaluation come to know about such an issue, only on receipt of the communication for personal hearing or if at all communicated from the concerned tabulation section, and hence liable to appear for subsequent examinations before being withheld from the same,

G)Hence some candidates namely Sanjana Sanjay T P (Candidate Code 47423550058) and Praveen P R (Candidate Code 47420551138) who are alleged of suspected malpractice from the valuation camp have been called for the personal hearing before the Committee, overlooking the order of reporting to the Students Discipline Cell (SDC).

The details of the malpractice allegations against all the above mentioned candidates are given below in the tables (I) to (V). The corresponding observations, findings and recommendations of the Standing Committee of the Syndicate on Students' Discipline are given after each of the said tables.

Item No27.199.01 Allegations of malpractice in the university examinations against all the candidates called for the hearing before the Standing Committee of the Syndicate on Students' Discipline, along with the corresponding findings, observations and recommendations made by the Committee against these candidates - reg.

Eighty Six (86) candidates were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline in connection with the allegations of malpractice in the University Examinations. Out of them, **Eighty (80)** candidates appeared for the hearing.

Certain matters related to the suspicion of malpractice having occurred during the examinations as suspected by the examiner/s during the valuation of the answer scripts in the examination valuation camps, and, the corresponding suspected candidate/s being called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline, are as mentioned below:

A)For the same examination, usually the candidates alleged of malpractice and reported from the examination halls are reported well ahead of the candidates alleged and reported from the valuation camps/revaluation on suspicion of malpractice, wherein the valuation/revaluation is conducted later after the conclusion of the examinations,

B)Normally, the candidates alleged of malpractice are called for the personal hearings before the Standing Committee of the Syndicate on Students' Discipline, based on the chronological order in which the corresponding files related to the alleged malpractice of each such candidate is received in the Students Discipline Cell (SDC). Therefore the candidates reported from the examination hall are incidentally called for the personal hearing well ahead of the candidates reported from the valuation camps/revaluation, although both malpractice allegations may pertain to the same examination,

C)This causes considerable delay in taking decisions on the allegations of suspected malpractice of candidates that are reported from the valuation camps/revaluation, as compared to the allegations of malpractice of candidates reported from the examination hall, although both kind of allegations may pertain to the same examination,

D)Moreover majority of the candidates alleged of malpractice from the examination halls are reported with sufficient evidence like possession of handwritten manuscripts, photostat copies, printed material from the textbooks/guides, etc. of having committed the malpractice. On the contrary, many of the suspected malpractice allegations raised from the valuation camps like discrepancy noted in handwriting in answer scripts of candidates, etc., are without sufficient evidence as mentioned above and are based on the suspicion of the examiner/s during the valuation of the answer scripts. The guilt on the part of such candidates alleged of suspected malpractice from the valuation camps/revaluation need to be further established or exonerated based on the personal hearing of such candidates and further verification,

E)Hence a delay in the personal hearing of those candidates alleged of suspected malpractice from the valuation camps/revaluation and later if exonerated, can hamper their chances of appearing for further examinations even though sufficient evidence as mentioned above may not be available pertaining to the allegations,

F)Also the candidates alleged of malpractice from the examination hall are well aware of their malpractice issue, however, the candidates alleged of suspicion of malpractice from the valuation camps/revaluation come to know about such an issue, only on receipt of the communication for personal hearing or if at all communicated from the concerned tabulation section, and hence liable to appear for subsequent examinations before being withheld from the same,

G)Hence some candidates namely Nandana Dinesh (Candidate Code 15023144017), Abinanth S.R.

(Candidate Code 15023144028), Muhammed Thoufeeq S. (Candidate Code 14123144031), Mohammad Riyas N. (Candidate Code 14123144049) and Lakshmi Krishna R.K. (Candidate Code 64524107010) who are alleged of suspected malpractice from the valuation camp have been called for the personal hearing before the Committee, overlooking the order of reporting to the Students Discipline Cell (SDC).

The details of the malpractice allegations against all the above mentioned candidates are given below in the tables (I) to (XI). The corresponding observations, findings and recommendations of the Standing Committee of the Syndicate on Students' Discipline are given after each of the said tables. **The short titles used in the starting of each of the above mentioned tables shall mean as described below in points (a) to (h):**

a) **Sl.No.** – Serial number,

b) **File No.(Sub. Call / Earl. call if any spcfd.)** – File number in Students Discipline Cell or SDC related to the allegations of malpractice in the University Examination/s (Subsequent call for hearing for the candidate/s who remained absent for the first call for hearing, if any, is specified, as well as earlier calls for hearing wherein candidate was detected of malpractice in any other University Examination/s is also specified),

c) **Name** - Name of the Candidate who is alleged of resorting to malpractice,

e) **Exam** - Examination in which malpractice is alleged,

The candidates Nandana Dinesh and Abinanth S.R.were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline and they were present and were heard by the Committee. The candidates accepted having resorted to the act of copying as well as helping in copying the answers during the examination. The candidates submitted written statements before the Committee. The Committee made the following observations:

a)The selection of questions and the order in which these questions are answered by the candidate Nandana Dinesh are 1,3,2,5,6,10,8,16,15,21,11,12,20,22,18,23,24,25,**27**,35,32,30,28,

b)The selection of questions and the order in which these questions are answered by the candidate Abinanth S.R.is 1,3,2,5,6,10,8,16,15,21,11,12,20,22,18,23,24,25, 35,32,30,28,

c)Thus the selection of questions as well as the order of answering of questions is exactly the same from the beginning till the end in both the answer scripts except only the question number 27 that is answered by only the candidate Nandana Dinesh. Thus except for one question, the similarity in all the questions selected as well as the similarity in the order in which all these questions are answered by both the candidates clearly raises the suspicion of copying the answers having happened between the two candidates.

Recommendations of the Committee :

The Committee considered the above mentioned facts including the reports of malpractice, the statements submitted by the candidates Nandana Dinesh (cand. code. 15023144017) **and**

Abinanth S.R. (Cand. code. 15023144028) **at the time of the hearing, as also the observations (a) to (c) made above. The Committee felt convinced that the candidates are guilty of committing malpractice as alleged. Therefore the Committee made the below recommendations:**

i)To cancel the examination of the particular paper of the subject EN1211.1-Environmental Studies and Disaster Management, in which these candidates resorted to malpractice,

ii)The other paper/s of any semester examination/s, if any, attended by the candidates be not affected, and such other papers be valued and the results of the same be published, and,

The candidates Muhammed Thoufeeq S. and Mohammad Riyas N. were called for the personal hearing before the Standing Committee of the Syndicate on Students' Discipline and they were present along with their parents and were heard by the Committee.

Muhammed Thoufeeq's mother, Smt.Sabiapresented the following matters before the Committee:

i)The original certificate of mental disability issued to the candidate Muhammed Thoufeeq S. by the disability assessment board/medical board at General Hospital, Thiruvananthapuram, was presented that indicated 60% intellectual disability/mental retardation and condition of ADHD. The candidate is stated to get disturbed and uneasy at certain times due to the said condition,

ii)The University order no.EA I/45129/2023 dated 21.12.2023 was also presented regarding the scribe allotted to that candidate for writing the university examinations on behalf of that candidate,

iii)It is stated by Smt.Sabia that her son's mental condition does not permit him to be alert enough that

would enable him to restrain other candidates from copying from his answer script if any such attempt has at all happened,

iv)It is requested by Smt.Sabia that the above facts be considered and that her son is actually innocent in the case.

The other candidate Mohammad Riyas N. stated that he was innocent and did not resort to any kind of malpractice as alleged.

The Committee further made the following observations:

a)The selection of questions and the order in which these questions are answered are not exactly the same although there are some similarities,

b)However, certain similar answers are seen in the answer scripts of both the candidates for some questions,

c)The above facts do not clearly affirm that any attempt of malpractice has occurred.

Recommendations of the Committee :

The Committee considered the above mentioned facts including the disability reports of Muhammed Thoufeeq S, the statement submitted bythem atthe time of the hearing, and also took note of the matters mentioned under the observations (a) & (b) made above. The Committee felt that the candidates seemed innocent, and, therefore made the below recommendations:

i)to exonerate the candidates, Muhammed Thoufeeq S. (Cand. code.14123144031 and **Mohammad Riyas N. The meeting began at 01.35 p.m.

The meeting was chaired by the Registrar. The Registrar welcomed the officials of KPHCC Ltd to the meeting. Discussions were held on various issues related to the construction work of Dr. Ayyappapanicker Memorial Foreign Language Building at Kariavattom Campus, including matters regarding the removal of Mahogany tree and existing well at the work site.

In the meeting, the University Engineer and Dr. Shaji E, Professor, Dept.of Geology have expressed concern regarding the retention of the well at the proposed site. The officials of the KPHCC Ltd proposed shifting the building to the north so that the well can be retained. They have also informed that the shifting can be carried out without altering the facilities envisaged in the plan and without any additional expenditure.

Regarding the request for the removal of the Mahogany tree, the KPHCC has agreed to map the tree, as informed by the University Engineer.

The meeting considered the request dated 28.04.2026 from KPHCC addressed to the University Engineer, to furnish the documents in connection with the approval regarding the building permit for the work. The University Engineer reported that the Architectural drawings authenticated by Registrar, Chief Engineer, KPHCC and University Engineer have already been submitted to the Secretary, Thiruvananthapuram Corporation, and as per the letter of the Special Secretary dated 29.3.2025, Rule 5 (3) of KMBR 2019 is made applicable to the University of Kerala, in which

it is stated that the drawings duly signed by the authority have to be submitted to the Corporation before 30 days of commencement of work. The KPHCC agreed that they will obtain clarification from the corporation/authorities concerned regarding the same.

After detailed discussions on the matter, the following recommendations were made:

- To shift the building by a safe distance towards the North from the well in such a manner that the existing well will not pose any safety issues to the building in future, without altering the facilities envisaged in the plan and without any additional expenditure beyond the sanctioned (AS) amount.
- To entrust the KPHCC with mapping of the Mahogany tree which has to be removed from the site.

- Dr. Shaji E. has suggested that the protection and rejuvenation works for the well may also be considered as part of the project. Officials of the Kerala Police Housing and Construction Corporation Limited assured that the same would be executed, subject to the availability of savings from the project.

Item No.27.247.04 Personal hearing of Dr. Shemeer H, Chief Superintendent of University Examinations, Iqbal College, Peringammala in connection with malpractice complaint received regarding the conduct of B. Com 5th semester Marketing Management examination held on 15.01.2025. – reg.

A group of students from Iqbal College, Peringammala submitted a complaint alleging malpractice, by Najimi R, during the S5 B.Com Marketing Management Examination on 15.01.2025. It is alleged that Najmi.R wrote the examination by copying from paper bits. Also, stated that the proof of the malpractice is captured by the CCTV cameras in the examination hall.

In this regard, a report was sought from the Principal (No.9139/Ac B1/2025/UOK dated13.02.2025) and the Principal forwarded report (No. IC.AC2/236/2025 dated 28.02.2025) along with the explanation of Chief Examination Superintendent and Examination Invigilator wherein it was mentioned that Najmi.R was warned for misbehaviour in the examination hall, but no bits of paper was traced from the candidate.From the report of the Principal , it was evident that Najimi R was indisciplined during the exam hall and the manner of indiscipline was not mentioned.Also even after repeated warnings she was allowed to write the examination. This act itself strengthens the complaint from the part of students. The report of the Principal was ambiguous since the student was asked to change seat only at the end of examination, and at the same time she returned the answer scripts without obeying the same.

Hence as per the orders of the Registrar, CCTV footages of the examination hall was sought from the Principal (No.9139/Ac B1/2025/UOK dated 03.04.2025).The Principal has reported (letter No. IC.E1.374/2025 dated 11.04.2025) that the CCTV footages of all the examination halls are collected in same hard disk. CCTV audio and video footage of the examinations including that held in the AN of 15th January 2025 has been overwritten beyond recovery and hence could not be made available. Also, assured that in order to overcome technical difficulties in future, hard disk with more capacity will be installed for collecting audio and video footage. Further forwarded report of the Chief Superintendent of Examinations of the college stating that no bits of paper was traced from the candidate but she was warned for looking back repeatedly. It is also informed that the Principal has not received any complaint related to the University Examination held on 15.01.2025 either from the Chief Superintendent or from the teacher on Invigilation duty and apologized for the inconvenience caused to the University.

It may be noted that, as the CCTV footages could not be verified, the depth of the complaint could not be ascertained. As per the orders of the Vice Chancellor, the above matter was placed before the Standing Committee of the Syndicate on Examinations for consideration and recommendation. The committee considered the above matter on 23.06.2025 and recommended that the item be referred to the Standing Committee of the Syndicate on Student's Discipline. The meeting of the Syndicate held on 24.12.2025 approved the above recommendation of the SC of the Syndicate

on Examination. As per the orders of the Vice Chancellor, the above matter was placed before the Standing Committee of the Syndicate on Student's Discipline for consideration and recommendation. The Standing Committee of the Syndicate on Students' Discipline held on 09.03.2026 considered the matter and recommended to hear Dr. Shemeer H, Chief Superintendent of University Examinations, Iqbal College, Peringammala, who was on duty on the day of the incident, in its next meeting. The Vice-Chancellor exercising the powers vested on him under section 10(13) of the Kerala University Act, 1974, approved the recommendations of the Standing Committee of the Syndicate on Students' Discipline held on 09.03.2026.

Accordingly, Dr. Shemeer H, Chief Superintendent of University Examinations, Iqbal College, Peringammala was directed to appear for a personal hearing before the Standing Committee of the Syndicate on Student's Discipline scheduled on 26.05.2026. Based on the direction, he was present for the personal hearing and submitted a written statement before the committee.

Recommendations of the Committee:

The Committee considered the statement submitted by Dr. Shemeer H, Chief Superintendent of University Examinations, Iqbal College, Peringammala and was instructed to direct all the teaching staff to be extremely vigilant during the conduct of the University Examinations. - It is informed that the Commissioner for Entrance Examinations, Government of Kerala, issued communication regarding the timely conduct of admissions to LL. B courses for the academic year 2026. As per the said communication, all colleges offering LL. B programmes are required to upload the basic details along with mandatory documents, namely the affiliation of the Bar Council of India, affiliation of the concerned University, and the Government No Objection Certificate, in the CEE portal on or before 30 April 2026, in order to facilitate timely admission and allotment procedures. It is also indicated that the portal will be enabled from 1 April 2026, and any delay in affiliation may adversely affect the commencement of admissions and completion of the academic schedule.

- They had also informed that both the Bar Council of India and the Government of Kerala insist upon the current academic year's University affiliation as a prerequisite for initiating and completing their respective statutory proceedings, and therefore, the University is required to take the initial steps in the affiliation process at the earliest.
- Hence, requested the University to complete the affiliation procedures for the academic year 2026 at the earliest, preferably well before the stipulated deadlines, so as to enable the affiliated colleges to comply with the requirements of the Commissioner for Entrance Examinations within the prescribed time.

Since Syndicate meeting was not held after the meeting of the Standing Committee of the Syndicate on Affiliation of Colleges held on 30.01.2026, certificate of affiliation as requested by the colleges were pending issuance. The time limit granted by the CEE as well as the BCI to Law colleges to upload affiliation certificate of the University had expired which in turn caused severe hardships to colleges.

In these circumstances, and in view of the exigency of the matter, the Vice Chancellor in exercise of the powers conferred under Section 10(13) of the Kerala University Act, 1974, approved to issue the affiliation certificate for the academic year 2026-27 to the affiliated Law colleges that have fulfilled the prescribed criteria for obtaining the same. Accordingly, the affiliation certificate for the academic year 2026-27 had been issued to the affiliated Law colleges that had fulfilled the prescribed criteria.

The action taken by the Vice Chancellor in having granted permission to issue affiliation certificate for the academic year 2026-27 to the affiliated Law colleges that had fulfilled the prescribed criteria for obtaining the same, in exercise of the powers conferred under Section 10(13) of the Kerala University Act, 1974, is hereby reported to the Syndicate.
