Coimbatore.
Tamilnadu-641035**

ABOUT THE COLLEGE

KG College of Arts and Science (KGCAS) was started in the year 2005 with the intent to provide quality education at the undergraduate level and post-graduate level, focusing primarily on meeting the talent requirements of the domestic and global IT and IT-enabled service providers. The infrastructure available in the institution for the pursuit of IT and ITES education is unparalleled. A very liberal scholarship provides for opportunities for economically challenged yet academically brilliant students to take up courses at the college. Choosing the right institution for the future will depend on the proximity of such institutions with the industry. KG College of Arts and Science, an Institution sponsored by KG Information Systems Private Limited, is the perfect match to an Industry-Institute learning environment. We call it 'Campus Inside' where learning takes place within the precinct of Industry. The KG College of Arts and Science is located on the KG Campus, a sprawling 40-acre campus, just 8 kms from city, which also houses the BPO, Software, Call Center operations of KGISL apart from co-location of its institute of higher learning. The Campus presents the perfect integration of Institute - Industry - Infrastructure in an environment of perfecting learning - the foothills of the Western Ghats, Coimbatore. The placement opportunities start from the time you join such future-thinking programmes. What better then, will be an opportunity, than mentoring yourself at an institution sponsored by an Industry.

ABOUT THE DEPARTMENT

The Department of English was started in the year 2010. Ever since the day of the inception, the department has made a significant contribution to knowledge in the areas of different varieties of literature. The Department aims at unlocking the potential excellence of the student's English proficiency. In the year 2014, PG was introduced. The department nourishes the student's inspiration, over the love of language and an appreciation of its power and enables them to read, interpret and evaluate a range of texts to nurture their knowledge. We are the centre for Foreign languages. Sanskrit classes are conducted for the interested students in all streams of department.

We also coach for TNPSC competitive examinations. Students are provided with ample opportunities to exhibit their talents and competence through the various platforms like participating in Drama Club, Debate Club and association activities. The Department of English is proud of its warm, inclusive atmosphere, devoted academic faculty members, with its excellent students.

OBJECTIVES OF THIS WORKSHOP

Literature in a language workshop provides enough space for the learners to comment, justify and mirror themselves. By using literary text the language class can turn out to be lively and motivating. The main purpose of this workshop is to provide with the appropriate information through a literature review, concerning the use of literary texts in language learning as well as its benefits. Furthermore, this workshop provides knowledge about the different aspects of literature methods based on theories and organized activities. The Linguistics have changed radically in the last one hundred years. The Technological innovations and globalizations have had major impact on the discipline. Linguistic insight the theories that were incorporated in different disciplines and the types of Linguistic theories keep to deal with more practical concerns and issues. The language plays an important role in life. The workshop aims at bringing together faculties, academicians, Research scholars, and students from various disciplines of literature, arts and humanities to join and learn successful ideas and views from the stalwarts. The workshop would enable everyone present to have clear idea and understanding of importance of Language, Literature and Linguistics. Great scholars provide numerous views and findings pertaining to the field of discussion.
