

**Seminar On
Recent Approaches in Biochemical
Research (RABR) - 2018**

1. Full Name (in block letter) :
2. Designation and Department :
3. University/College/Institute :
4. Address :
5. Contact number :
6. Email id :

Date: _____ Signature of the applicant

7. Recommendation and signature of Head of the department or
Supervising Teacher:

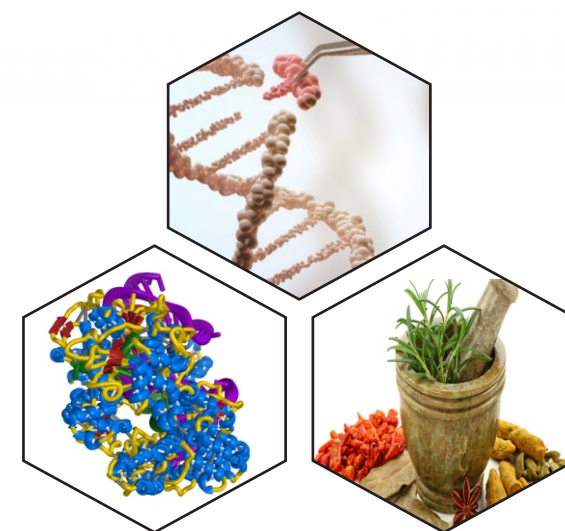

Date _____ Signature & Designation

Organizing Committee

- Dr. Mini S**
Chairperson & Head
- Dr. Saja K**
Organizing Secretary
- Dr. Annie Abraham**
Professor & Research Director
- Dr. M. Indira**
Emeritus Scientist
- Dr. Annie John**
Emeritus Scientist
- Dr. A. Helen**
- Dr. Arun A Rauf**
- Dr. P.G. Biju**
- Mrs. Anisha Kumari R.S.**
- Dr. Soumya N.P**
- Mr. Rajesh Kumar. K**
- Dr. Sowmya Soman**
- Dr. Soumya M.S**

**Seminar On
Recent Approaches in
Biochemical Research
(RABR) - 2018**

28 September, 2018

Department of Biochemistry
University of Kerala, Kariavattom Campus
Thiruvananthapuram

&

**Society of Biological Chemists (I)-
Kerala Chapter**

The Department of Biochemistry, University of Kerala is conducting a one day seminar on '**Recent Approaches in Biochemical Research (RABR)**' on 28th September 2018. This seminar is the second in a series of annual seminars organized by the Department under the title RABR. Biochemical research has achieved tremendous progress due to the development of new techniques and approaches in the modern era. It has great impact for the diagnosis of various diseases and finding novel ways to cure them. Hence it is important to give an exposure to researchers, the recent updates in the field. This seminar is aimed at providing a platform for basic & clinical researchers and young research scholars and students to discuss and exchange ideas on current trends in biochemical research and development.

Scientific programme of this seminar will include invited lectures and oral/ poster presentations.

The focal topics to be discussed include:

Cardiovascular Diseases, Diabetes

Cancer Biology

Acute and Chronic Inflammation

Phytochemicals / Natural products

Tissue engineering and other allied areas

On behalf of the organizing committee, a cordial invitation is extended to Scientists, Faculty, Research scholars and students to participate in the seminar.

Call for papers

Authors who wish to present papers / posters are requested to submit abstracts in about 200 words (Times new roman 12Pt) by email on or before 22nd September 2018.

Poster Size: 80cm (Vertical) * 120 cm (Horizontal).

Abstracts may be sent to:

rabrbiochemistry@gmail.com

Registration

Registration form duly filled in shall reach the organizing secretary on or before 22nd September 2018.

The details of registration fee are given below:

MSc Students	-	Rs. 150/-
MPhil / Research scholars	-	Rs. 250/-
Faculty/ scientist/others	-	Rs. 250/-
