ORDER

On the request of a student to redistribute eligible gracemarks to the main papers to enable him to apply for higher studies , Vice-Chancellor has directed that gracemarks be distributed to the best advantage of the candidate, ie to redistribute eligible gracemarks to the main papers to enable the student to secure at least **50%** marks for part III main subject so that they can apply for higher studies.The student has been benefited accordingly.

The above decision is a deviation from the existing guideline 11 and 9 of U.O read as (1)(2) & (3) respectively wherein the advantage is limited for getting a pass only.Requests of similar nature are received for redistribution of gracemarks.

Another point which needed clarification was regarding the words "*among the whole range of examinations*" of the said guideline which is misinterpreted by students that the benefit of grace marks for a particular year should cover all the examinations of the course as a whole. The benefit of gracemarks is limited to the examinations of the **particular Academic year** as clarified in the University orders vide relevant guideline..

The above matter was placed before the standing committee on examinations and vide paper read as (4) above and it was recommended that the University orders pertaining to the award of Gracemarks for sports and games ,Arts, dated 07.09.2007 NSS dated 05.09.2011 and NCC dated 14.03.2006 be modified to the extent that eligible gracemarks may be redistributed to the main papers to enable the student to secure at least **50%** marks for part III main subject so that they can apply for higher studies and also that the words "**of the respective Academic year**" be added after the words "*among the whole range of examinations.*"The Syndicate vide paper read as (5) above approved the above recommendation.

Sanction has therefore been accorded by the Vice- Chancellor to modify the University orders as detailed above.

Orders are issued accordingly
