(A Government of Kerala initiative for Inter-University Interaction and Facilitation)

Department of Biotechnology, University of Kerala, Kariavattom,  
Thiruvananthapuram, Kerala – 695 581

## Recruitment of Research Associates

The Inter University Centre for Genomics and Gene Technology is a Government of Kerala funded initiative. Centre is an Inter-disciplinary multi-institutional facility which focuses on frontier areas of research including DNA diagnostics, recombinant vaccine development, genetic engineering, plant/animal tissue culture, protein engineering and microbial technology. This centre aims to bridge the lacunae in the available modern research technologies in various research institutions/University Departments across the country, and to promote research cooperation between academics and industry in order to better understand the complex influences that shape industrial enterprises. Highly motivated candidates with an ability to drive envisaged research programs in the above mentioned thrust areas are invited to apply for the position of Research Associates tenable for a period of three years.
