

**Dept. of Computational Biology & Bioinformatics,
University of Kerala
NOTIFICATION**

Applications are invited from eligible candidates for the post of Research Associate (3 Posts) in the following projects funded by the University of Kerala, to the Department of Computational Biology and Bioinformatics, University of Kerala, Karyavattom, Thiruvananthapuram.

Ref: 8545/2026/UOK Dated: 11.09.2026

Sl. No.	Name of the Project	Description	Name of the Post	No: of Posts	Duration of the Project	Remuneration
1.	P1	Qualifications: <ul style="list-style-type: none"> • MSc in Computer Science/ MCA • PhD in Computational Biology and Bioinformatics • Research experience in Network Biology/CADD 	Research Associate	1	1 year	48000/-
2.	P2	Qualifications: <ul style="list-style-type: none"> • MCA/MSc in Computer Science • PhD in Computational Biology and Bioinformatics. • Research experience in Machine Learning/ CADD/Antiviral 	Research Associate	1	1 year	48000/-
3.	P3	Qualifications: <ul style="list-style-type: none"> • MSc in Biotechnology / Bioinformatics • PhD in Computational Biology and Bioinformatics • Research experience in Phytochemical extraction and characterization/ Development and evaluation of herbal formulations 	Research Associate	1	1 year	48000/-

P1: Network pharmacology-aided prediction of multi-target therapeutics for Parkinson's disease (PD)

P2: Artificial Intelligence-based prediction of Potential Therapeutics against Dengue Virus

P3: Anti-Ulcer Efficacy and Mouthwash Formulation Development Using *Solanum nigrum*

Applicants can send their resume along with a covering letter to the Principal Investigator, dcb@keralauniversity.ac.in on or before **16.11.2026**.

Name of the Principal Investigator

Dr. A Helen,

Professor and Head

Department of Dept. of Computational Biology & Bioinformatics

Kerala University.
