Resolution of the Syndicate

RESOLVED that the above recommendations of the Standing Committee of the Syndicate on Examinations and Students' Discipline held on 25-01-2017, be agreed to.

FURTHER RESOLVED that the year 2018 mentioned in the year in which the candidates are permitted to write the exam be corrected as 2017 in the above Minutes.

Dr.G.L Arunjilal, the chief superintendent (Department of Economics) in charge of Examinations and Dr.Priya.L (Department of Sanskrit), the invigilator who were on duty in the examination hall have been present for the hearing. In their written statement submitted before committee, they have informed the difficulty of getting permanent college teachers for invigilation duty during the months of April and May. The committee viewed the matter seriously **and strictly warned them to assign invigilation duty to permanent teachers only.**

Resolution of the Syndicate

RESOLVED that the above recommendations of the Standing Committee of the Syndicate on Examinations and Students' Discipline held on 25-01-2017, be agreed to.

II. Suspected mass copying reported from centralised valuation camp in S1 MBA Examination February 2016 (Subject: Quantitative methods for management)-Examination centre: Rajadhani Institute of Engineering. & Technology, Attingal - Personal hearing of candidates - reg.

All the 22 candidates who were reported to have involved in the suspected mass copying were present. The second opinion obtained from the subject expert Dr.Chandramohan, Director, Department of Business Administration, College of Engineering, Thiruvananthapuram was also considered. The subject expert had opined that all the 21 candidates except the candidate holding the answer script bearing false number 201161 made the same mistake in their answer scripts and seem to have written the answer from a common source. The answer script bearing false no.201161 belongs to the candidate Swathi. A.P with candidate code 15428113. All the candidates denied their involvement in the reported mass copying. Therefore the committee **recommended to make available the video footage from CCTV cameras installed in the examination hall of Rajadhani Institute of Engineering & Technology, Attingal with regard to the S-1 MBA examination February 2016 (Subject - Quantitative Methods for Management) conducted on 4-3-2016 for detailed analysis. The committee also recommended to value answer script and release the result of the candidate Swathi A.P as the committee was convinced that she was not involved in the mass copying**

considering the second opinion from the subject expert. The examination result of the other 21 candidates shall be kept pending until a final decision is taken in this regard.

III. Malpractice cases in respect of the candidates Vishnu U.B and Vaisakhan B from University college, Thiruvananthapuram-Hearing of the Principal, Chief Superintendent and invigilators-reg.

The Principal Dr.M.S Vinayachandran, the Chief Superintendent Dr. Krishnankutty and Smt. Sheeba, the Invigilator were present. The committee heard the Principal, the Chief Superintendent and the Invigilator regarding their difficulties in conducting university examination and invigilation duty, in detail. In their written statement submitted before the committee, they have stated that their internal squad is very effective in detecting malpractice cases. It was also stated that some students were following the practice of unstapling the main answer books and sending the inner sheets outside the examination hall and after writing the answers and returning them after restapling. So they have requested to use stapler pin other than the normal ones to staple main answer books. They have also stated that in University College, the malpractice prevention squads are not visiting the college during regular examination days and only during IDE examination days. They have also requested to conduct regular and improvement English examinations on different dates or on different session as they have strength of nearby 1400 students in graduate English examination days and not having sufficient space to provide them for writing the examination. It was **recommended that the members of the standing committee of the syndicate on Examinations and Students' discipline should make surprise visits in University College, Thiruvananthapuram during University examination hours.**

Resolution of the Syndicate

The Syndicate observed serious lapses on the part of the College in the conduct of examinations and

RESOLVED to request the Government to install CCTV in Government Colleges, as per the directions of the Hon'ble High Court, where the installation of the same is still pending.

FURTHER RESOLVED to send the Malpractice Prevention Squad to the College more frequently.

**Item No.25.21 Temporary posts created for CBCSS - extension – Consideration of -
 reg.**

(Ad.A.I)

At the time of implementation of the Choice Based Credit and Semester System, one post of Joint Registrar, two posts of Deputy Registrars, five posts of Assistant Registrars and ten posts of Section Officers were created vide UO No.Ad.AI.1.551/2010 dated 03.11.2010. The posts were created after obtaining sanction from the Government vide G.O.(Ms) No. 359/2010/H.Edn dated 01.11.2010. The Government has accorded sanction subject to the terms and conditions specified in the proposal forwarded by the Vice-Chancellor, vide letter dated 19.08.2010. In the letter, the proposal was to sanction 18 posts temporarily, for a period of five years. The proposal was thus made on the assumption that within a period of five years, the University would be able to wind up the annual BA/BSc/B.Com courses, replacing it with CBCS System.

However, the annual BA/BSc/B.Com courses could not be wound up, as expected even after the expiry of five years. The number of students enrolling under private registration was on the rise annually, in addition to the students enrolled under SDE. As a result, the total number of students taking examination under the annual scheme is higher than what was expected. Hence the same work force for dealing with annual degree examination in 2010 is still needed to cope up with the examination and academic matters relating to it.

In this context it is worth noting that the number of affiliated colleges under the CBCS System and the students on rolls increased many fold from 2010 to 2016. In the Academic year 2010-11, the number of colleges affiliated with the University under CBCS System was 55 and the number of students on rolls was 17198. However, there was a steep increase in numbers in the succeeding years, the details of which is shown in the table below. In the academic year 2016-17, the total number of students has risen to 45531, and the colleges to 89.

Sl. No	Year	No. of Regular Candidates	No. of Supplementary/ Improvement Candidates	Total
1	2010-11	17198	-	17198
2	2011-12	18505	7648	26153

3	2012-13	17947	14209	32156
4	2013-14	18203	14342	32545
5	2014-15	18715	18173	36888
6	2015-16	21208	24410	45618
7	2016-17	21576	23955	45531

Hence the University is in urgent need of more non-teaching staff to deal with the conduct of examinations and preparation of results of CBCS Examinations and it would be a disaster to abolish a few posts already sanctioned. It is also learnt that no time limit has been specified when the non-teaching posts were sanctioned for running CBCS System in other Universities, which still continues as such. Hence it is natural justice that this University may also be permitted to continue the posts.

Also it is worth mentioning that there is a steady increase in the number of affiliated colleges, following restructured curriculum and the number of students enrolling every year under this curriculum. The University started restructured BA/B.Sc/B.Com courses under a handful of colleges in the past and in 2010 there were 110 colleges with 4203 students, whereas in the academic year 2016-17, there exists 251 colleges offering the syllabus with 15721 students. Eventhough the demand for workforce to deal with the examination and academic matters related to it is very high, the University have not created more posts for catering to the growing demand for workforce. Further the University though started offering courses under UITs, UIMs, Teacher Education Centres etc., the staff strength remains unchanged, despite the present demand for more workforce to deal with the related work.

Further, the establishment of Kerala University of Health Sciences and Kerala Technological University, have not helped in reducing the man-power needs in this University, as the sanctioned posts of non-teaching staff in the University are not sufficient to cater to the growing needs of administrative personnel to do the work associated with conduct of examinations and other academic activities related to it, due to enrolment of more students in the various diversified courses offered by the University, both at P.G and undergraduate level. Further the work related with the Engineering examinations will continue till 2018. Also, the supplementary candidates will be continuing after 2018. Hence, abolishing the posts would adversely affect the system as a whole and would upset the entire system of examinations being carried out in the University.

Under these circumstances it is imperative to retain (if not sanction more posts) at least the 18 non-teaching posts already created at the time of implementation of CBCS System. Hence, the Government may be requested to grant concurrence for the continuance of the 18 posts already created.

Recently, the Secretary to Governor, vide letter No.GS3-5127/2016 dated 07.01.2017 has forwarded a copy of a petition dated 18.11.2016 submitted by one Sri. Mohan Kumar alleging that the posts created at the time of implementation of the Choice Based Credit and Semester System were not abolished after 5 years of its inception and that Officers are working in those posts and receiving salary, even now. In view of this, the promotions to be effected from 1st February 2017 has been kept in abeyance.

Considering the whole matter, the Vice-Chancellor ordered that the matter of continuance of 18 posts (1 JR, 2 DRs, 5 ARs and 10 SOs) created w.e.f 03.11.2010 vide UO dated 3rd November 2010, be placed before the Syndicate for consideration.

Resolution of the Syndicate

RESOLVED to issue a Memo of charges to those concerned for the delay in not reporting the matter in time before the authorities.

FURTHER RESOLVED to request the Government that the temporary posts sanctioned w.e.f. 03.11.2010 be made permanent posts with substantiating reasons as to why the posts are to be retained.

ALSO RESOLVED to request the Government to condone the delay in seeking extension for the posts in time.

Sri.B.S.Jyothikumar, Dr.M.Jeevanlal, Adv.S.Krishnakumar and Sri.John Thomas, Members Syndicate opined that the incumbents be reverted until the posts are sanctioned by the Government.

Item No.25.26 *Ascertaining the status of Kerala Law Academy Law College – Consideration of - reg.*

(Ac.B.II)

As resolved by the Syndicate held on 27.07.1968, provisional sanction was granted vide UO No.GC2.2081/67 dated 17.08.1968 to Kerala Law Academy for starting a '**Private**' Law College at Peroorkada during 1968-69 providing instruction for the first year LLB (part time) course in the first instance with 100 students who are regular employment.

At that time there were two categories of colleges existing in the state viz. Government college and Private college. Consequent to the introduction of Direct Payment system in 1972 by the State Government, all Private colleges who entered into agreement with the state Government was categorised as 'Private Aided College'. But, the status of Kerala Law Academy Law College remains as 'Private' College till date.

At present the Kerala Law Academy Law college is offering following courses with intake as noted.

Courses	Sanctioned intake	
LLB 3 Year		UO No. Ac B3/2975/97 dated 01.07.1998
Two 'Day Batch'	220	
one 'Evening Batch'	110	
Integrated BA LLB (5 year)	100	Ac.B1/3362/84 Dated:01.09.1984
Integrated B.Com LLB (5 years) (On self financing basis)	60	Ac.B/03/041564/NC/2012-13, dated 27.08.2013
LLM		

Administrative law	15	Ac.B2/337/70 Dated:21.10.1975
International law	15	Ac.B-2/2317/93 Dated:03.12.1993
MBL	40	Ac.B2/3845/95 Dated:04.12.1995

Section 2 (16) of Kerala University Act 1974 defines “Private College” as a college maintained by an Educational Agency other than the Government or the University and affiliated to the University:

Section 2 (28(A)) of Kerala University Act 1974 defines “un-aided college” as a private college which is not entitled to any financial assistance from the Government or the University.”

The Higher Education Department, Government of Kerala vide letter dated 01.02.2017 in reply to this office letter No. Ac.B1/2017 dated 30.01.2017, forwarding the report of the Subcommittee of the Syndicate on the sitting held at the Kerala Law Academy Law College in connection with the complaints received against the Principal and Management of the college, has inter alia directed that, since the functioning of the Kerala Law Academy Law College is found not in accordance with the rules/regulations of the University, stringent action needs to be taken in this regard, as per provisions in the Kerala University Act/Statutes.

Following may be noted in this context:

- The only financial assistance received from the University by the Centre for Advanced Legal studies and Research, Punnen Road, Thiruvananthapuram owned by the Kerala Law Academy, Punnen Road, Thiruvananthapuram is in the form of research grant and Journal grant given by the University on inviting applications from approved research institutions of the University through Notifications issued every year and after scrutiny by an Expert Committee in the latter case.
- The syndicate at its meeting held on 16.04.1993, while considering the question of confirmation of affiliation to colleges under the jurisdiction of this University resolved that colleges that came into being before the Kerala University Act 1974 have confirmation of Affiliation (permanent Affiliation). By virtue of the said decision, the Kerala Law Academy Law College established during 1968-69 was also granted permanent affiliation and the same was communicated to the secretary, Kerala Law Academy law College vide letter No. Ac B1/2305/93 dated 14.06.1993.
- It may be noted that the State Government granted administrative sanction for 5 year Integrated B.Com LLB course in the Kerala Law Academy Law college during 2013-14, after the Management entered into an agreement with the State Government which is applicable for Self Financing college/courses. NOC was also issued by the State Government. On the basis of the Government sanction, approval of the Bar Council of India, Provisional Affiliation was granted vide UO.No.Ac.B/03/041564/NC/2012-13 dated 27.08.2013 for the 5 year Integrated B Com LLB course with an intake of 60 students, on self financing basis during 2013-14.

- The rate of annual administration fee fixed for Self Financing Law Colleges irrespective of the no. of courses offered in a college is Rs.1,00,000/- per year. Since the Kerala Law Academy Law College is categorised as a Private College and the B Com LLB course is sanctioned by the Government and University on self financing basis, an amount of Rs 30,000/- (Rs Thirty Thousand only), is being remitted for the course as annual administration fee. Other than the above, the institution is not remitting any amount towards Annual Administration Fee.
- It may also be noted that the Syndicate held on 20.06.2016 vide item No. 18.68.17 fixed a sum of Rs 1,00,000/- (Rs one Lakh only), as Annual administration fees for the three year LLB evening course sanctioned to the Government Law college on self financing stream, as the same being the rate of Annual administration fees fixed for self financing Law Colleges.

In the above circumstances the status of Kerala Law Academy Law College is to be urgently reviewed and the category to which the college belongs is to be ascertained so as to examine whether the college has observed all provisions of the Act/Statutes applicable to such colleges. Though the matter was placed before the Syndicate on 6th February 2017, no decision was taken on this cardinal aspect.

As per the orders of the Vice Chancellor the matter regarding ascertaining the status and the category to which the Kerala Law Academy Law College belongs to is placed before the Syndicate for consideration and decision.

Resolution of the Syndicate

RESOLVED that the item be referred to the Standing Committee of the Syndicate on Affiliation of Colleges.

Item No.25.31.03: Denial of permission to appear for S10/December 2016 B.Arch external Jury Exam – reg.

(EE IIB)

Sri. Arjun Sooraj Suresh and Ajith. S., B.Arch candidates of CAT, Thinavila have submitted a complaint regarding the denial of S₁₀ B.Arch thesis submission of December 2016 and the external jury conducted on 07.12.2016.

Sri.Arjun Sooraj Suresh has stated that he was re-designing the project with new concepts and this was informed to the guide. But due to his bike accident he was unable to meet the guide directly and telephonically took the permission to submit sheets on 30th November 2016 (the submission day). But on the submission day the guide disagreed to sign and rejected the final sheets and he said that he does not know about the work of Sri.Arjun Sooraj Suresh.

In the case of Sri. Ajith S his guide has resigned from CAT for pursuing post graduation degree. So she has not seen and signed the final design sheets. But the college authority has not allotted another guide for Sri.Ajith S and the Principal did not permit him to appear for the external jury exam conducted on 07.12.2016 and has directed him to appear for the next time.

Now another similar complaint of Smt. Arya S has been received and she has stated that her S₁₀ final sheet has not signed by the guide and the Principal has directed her to appear for the jury after 6 months along with the next batch. Now the candidates have requested to take appropriate action in this regard.

As per the B.Arch 2008 Scheme regulation the students are required to schedule their thesis work, get it approved by the guide, at the beginning of the thesis and submit a copy of the same to the thesis co-ordinator nominated by HOD. Out of the total 250 marks for internal assessment, 100 marks will be allotted by the guide who is one of the jury members

constituted by the Department. Hence the Academic Section has remarked that the candidate whose project work is not approved by the guide cannot be permitted to attend the external jury as per manuals of B.Arch course (2008 Scheme). Now the supplementary S₁₀ jury has been completed and the result of the same has been published on 12.01.2017. The next S₁₀ jury exam will commence on June 2017.

The Hon'ble Vice Chancellor has ordered the Standing Committee of the Syndicate on Examinations and Students Discipline to hear the Principal guide and the complainants.

Recommendations of the Standing Committee

The Committee heard Shri.Jayakumar.J the Principal, Shri.Jerry Sam Joseph, The Guide, Smt.Asathy. M R, Assistant Professor, Smt.Bijoy Narayan, the HoD and the complainants Shri, Arjun Sooraj Suresh, Shri. Ajith.S and Smt.Arya.S.A. On the basis of hearing the Committee recommended to entrust the Principal and the HoD to take necessary steps to reconsider the project work submitted the above candidates and get it approved by the guide concerned incorporating the correction/modifications if any suggested by the guide.

The Committee further recommended to authorize the Principal to conduct a special S₁₀ Jury before 15th of February 2017, for the eligible candidates of the same batch.

Considering the urgency of the matter the recommendations on this item may be approved by the Hon'ble Vice Chancellor subject to reporting to the Syndicate.

Resolution of the Syndicate

RESOLVED that the action taken by the Vice-Chancellor in having approved the above recommendations of the Standing Committee of the Syndicate on Examinations and Students Discipline held on 30.01.2017, be noted.

7.2.2017

The Registrar,
University of Kerala, Thiruvananthapuram

Sir,

Sub: Judgment in WP(C)No. 6937 of 2013 filed by
Dr.K.Jyothish Kumar challenging the appointment of
Dr. Sheeba M.Kurien -the outcome of the discussion
held at Ernakulam - Reg:-

This has reference to the discussion held at Ernakulam on
5.2.2017 with the Advocate General, Government of Kerala in
which the convenors of the standing committees of the Syndicate
namely Adv. K.H Babujan, Prof. Mohana Krishnan and Adv.
A.A.Rahim participated, pursuant to the decision of the standing
committee of the Syndicate held on 21 2017. The Government
has already preferred SLP before the Supreme Court against the
judgment of the Full Bench. During the discussion Advocate
General opined that since the Government has challenged the
Full Bench decision before the Hon'ble Supreme Court, the

The University would also have to take the same step on the question of the effective date of applicability of the UGC Regulations.

In view of the stand taken by the Government challenging the judgment of the Full Bench, the University also has to approach the Hon'ble Supreme Court, since the ramifications of the decision of the Full bench are very serious. It will upset appointments like that of Dr. Sheeba M Kurien made by the University and also the approval of the appointments in the affiliated colleges. I am of the view that the University need not challenge the legal tenability of the UGC Regulations on merits but only the judgment of the Full Bench regarding the question of the date of applicability fixed by the Full Bench. This is being sent to inform the outcome of the deliberations which took place on 5.2.2017 at Ernakulam

Yours Faithfully,

Adv. Thomas Abraham
Standing Counsel, University of Kerala
