02. Recognition of M.B.A. Degree through Distance Mode (off campus) of Mahatma Gandhi University, Kottayam - Consideration of -reg. (Ac.C.)

Ref: - Request from Sri. Suneezh Kumar K. S.

Sri. Suneezh Kumar K. S. has submitted the attested copy of scheme and syllabus of M.B.A. Degree through Distance Mode (off campus) of Mahatma Gandhi University, Kottayam for course recognition for the purpose of higher studies (for Ph.D Admission). He had obtained B.Tech. Degree in Electronics and Communication Engineering from Associate Membership of the Institution of Engineers (India), which is recognized by the University of Kerala.

The Chairman, BoS in Business Management (P.G) remarked that the whole matter regarding granting recognition should be placed before the Board of Studies in Business Management (P.G).

It may be noted that there is no standing order from either the Syndicate or the Academic Council not to approve the M.B.A. Degree of any University acquired through a course of study in Off Campus Centres. The Academic Council at its meeting held on 07-11-2013 vide item No.34 has resolved that the Off Campus courses conducted by various Universities of Kerala be considered for recognition by examining the merit of such courses through the concerned Board of Studies and Faculty.
The Board of Studies in Business Management (PG) at its meeting held on 17/12/2016 considered the above matter and resolved not to recognize the M.B.A. Degree awarded by Mahatma Gandhi University, Kottayam through Distance Mode (off campus), as the eligibility conditions, admission procedures, DEC approval not being taken and annual mode of examination being not at par with the Kerala University.

The Dean, Faculty of Management studies has endorsed the decision of Board of Studies in Business Management (PG). Hence as per the orders of the Registrar, the decision of the Academic Bodies was informed to the candidate vide memo No.Ac.C/022494/2016 dated 09/08/2017.

Now the candidate has submitted the request stating that he has passed the Ph.D Entrance Examination 2015 from Kerala University, without submitting the Eligibility Certificate, his Ph.D admission is pending till now. He has also stated that another candidate was issued Eligibility Certificate of the same course with in the same period.

It may be noted that another candidate Smt. Jomol Joseph was issued Eligibility Certificate through recognition process, the M.B.A.Degree (Off Campus) programme under school of Distance Education awarded by Mahatma Gandhi University, Kottayam is recognized as an eligible qualification only for higher studies in Management provided that the degree is awarded for the period 2012-2014 with the recognition of UGC- DEC. For this academic year the course has been approved by UGC- DEC.

Non Recognition memo was issued to Sri. Suneesh Kumar. K. S. showing that the course was not having the approval of UGC – DEC during his period of study ie 2009-2011. The applicant has submitted letter from the Director of Mahatma Gandhi University stating that during 2009-2011 the school of Distance Education Mahatma Gandhi University had been recognized by the Distance Education Council, New Delhi (appendend). In the present context it may be noted that several Universities from other states, especially Tamil Nadu are conducting programme from several centers in Kerala for which equivalency is granted. There are also Institutions deemed as Universities which are running multiple campuses the degrees of which are recognized. Indeed the University of Kerala had also resorted to franchisee mode through LSCS.

As per the orders of the Registrar, the file was once again forwarded for the remarks of the Chairman Board of Studies in Business Management (PG) and Dean Faculty of Management studies. The Chairman BoS in Management (PG) who is also the Dean Faculty of Management studies remarked that on the strength of the certificate issued by the Director, SDE Mahatma Gandhi University that the SDE was having the approval of DEC during 2009-2011, recommended to grant recognition to the M.B.A Degree through Distance mode (off campus) of Mahatma Gandhi University as equivalent to M.B.A through Distance education of University of Kerala for the purpose of higher studies in Management. In this context it may be noted that Academic council held on 07-11-2013 has decided that off – campus programme of other Universities may be considered by examining the merits of such courses through concerned Board of Studies and the Faculty.

As per the orders of the Vice-Chancellor the whole matter regarding recognition of the M.B.A. Degree through Distance Mode (off campus) of Mahatma Gandhi University, Kottayam during 2009-2011, for the purpose of higher studies (for Ph.D Admission) is placed before the Academic Council for consideration.

The Academic Council considered the above matter and **RESOLVED** to recognise MBA (Distance) of MG University, Kottayam, (off Campus) offered with the approval of DEC during 2009-2011.

Debate Report

Grand total 100 marks

1. RESEARCH DISSERTATION
(Proposal 50 marks/Dissertation 150 marks/Viva-voce 50 marks /Total 250 marks/10 credits)
The dissertation is a compulsory component of the M.Ed. programme. A dissertation is distinguished from other writing assignments in the programme on the basis of the expectations and processes involved therein. It is visualised as a curricular space where students (with close mentorship/guidance of a faculty member) learn to plan and conduct a research, and write a thesis. It is also a space where students come to see and draw linkages between education theory (transacted through taught courses) and research. Thus, while the product or the outcome of this component (i.e. the dissertation) is important, the process through which it is arrived at is equally (if not more) significant. This makes a case for this component to be guided or mentored closely by a faculty mentor. Various skills that are expected to be developed through this component include: articulating
and formulating a research problem and research questions, designing a plan to study it, (phase I of Dissertation-preparation & presentation of Research Proposal in Semester II) executing the plan (which includes engaging with the relevant body of literature and theories), analysing and writing the findings in an academic fashion, and presenting the work (Phase II of Dissertation in Semester IV). However, this should not be seen as implying that the dissertation must be field based.

The dissertation should preferably be in the area of specialisation that a student opts for in the areas introduced in the perspective courses. The main body of the Dissertation shall not be less than 80 pages and shall not exceed 150 pages.

Each student shall submit 3 copies of the Dissertation to the University and of which in two copies the identity shall be masked, and the 3rd copy shall be complete and unmasked. The Dissertation shall be submitted on or before the last working day of January in Semester IV.

1. Institutional Twinning Programme (1 credit)

Institutional Twinning Programme (ITP) component of the M.Ed course is intended to generate the Education Master Aspirants to imbibe leadership experience through collaborative inter-institutional visit to institutes of International, National or Regional significance of pure, applied or interdisciplinary research in pedagogy or allied social sciences. The programme is to be of maximum one week duration (i.e., 5 working days) covering 30 functional hours involving collective academic and co-curricular initiatives of mutual interest and consensus. The programme must be visualized to generate a taste to engage with the administrative and research culture of a unique institution of reputation leading to a short reporting cum visual presentation by the master aspirant. The assessment could be done internally through on-line submission or by using a standardized rubric. The component carries 1 credit and 25 marks. This shall be given internally by giving weightage to the following parameters such as participation in the programme (15 marks) and reporting cum visual presentation (10 marks).

1. Comprehensive Viva-Voce

PHASE I (1 credit)

There will be a comprehensive viva-voce at the end of the second semester carrying 25 marks. Students securing less than 12.5 marks in the comprehensive viva-voce will have to repeat the same during the next year. Such students will be given a total of two chances to clear the same.

The University will constitute a Board of Examiners (Dean, Faculty of Education, Chairman 2nd semester M.Ed examination and an internal/external examiner) for conducting both the DIS1-Research proposal presentation and the comprehensive viva-voce.

PHASE II (2 credits)

There will be a comprehensive viva-voce at the end of the fourth semester carrying 50 marks. Students securing less than 25 marks in the comprehensive viva-voce will have to repeat the same during the next year. Such students will be given a total of three chances to clear the same.

The University will constitute a Board of Examiners (Dean, Faculty of Education, Chairman of 4th semester examination, and an internal/external examiner) for conducting both the DIS2 Dissertation viva-voce and comprehensive viva-voce.

ATTENDING 2 SEMINARS (STATE/NATIONAL/INTERNATIONAL) DURING THE COURSE

The student shall attend 2 seminars/workshops of educational importance at any convenient time during the course and shall submit the copy of the certificates at the time of submission of dissertation. The original certificates shall present before the Comprehensive Viva II Board.

The following steps need to be taken for adopting MOOCs on SWAYAM.

**Step 1: Make Amendments:** The University through their competent Authority (EC, AC, BOS), should make amendments in their Ordinances, Rules, Regulations to incorporate provisions for transfer of Credits for MOOCs course as per UGC regulations.

(eg: Courses in High demand for which faculty is not available, elective courses or for supplementing teaching learning process) while ensuring that physical facilities like laboratories computer facilities, library etc required for the courses are made available free to the students in adequate measure.

**Step 3: Designate Course Coordinator:** The University must designate a course coordinator/ facilitator to guide the students throughout the course and to facilitate/ conduct the lab/ practical sessions/ examinations.

**Step 4: Disseminate Information:** The University should disseminate information about selected courses and motivate the students through faculty members notice boards, student forums, workshop and university website etc.

88. **Recommendations of the Board of Studies in Business Management (Pass) with regard to the Bachelor of Hotel Management and Catering Technology – reg:-**

   **Items:**
   1. Revised scheme and syllabus of BHMCT Programme
   2. Request from Principal, Lourde Matha College, Kuttichal regarding change in Scheme of BHM programme

   1) The Board of Studies in Business Management (Pass) at its additional meeting held on 10th August 2018 the revised regulation; scheme and syllabus of Bachelor of Hotel Management & Catering Technology w.e.f. 2018 and the Dean, Faculty of Management Studies endorsed the same. Vice Chancellor, subject to reporting to the Academic Council approved the revised regulation, scheme and syllabus of Bachelor of Hotel Management & Catering Technology w.e.f. 2018 and U.O. has been issued vide U.O No. Ac.AIV/3/BHMCT/2018 dated 14.09.2018.

   The Board also recommended to use the abbreviation of the course as BHMCT instead of BHM.

   2) The Principal, Lourdes Matha Institute of Hotel Management & Catering Technology, Kuttichal, Thiruvananthapuram submitted a representation and, put forth some suggestions to bring
changes in the scheme of the Bachelor of Hotel Management and Catering Technology BHM (4 year) Degree course like B.Tech courses. The recommendations are as follows.

1. The BHM course does not have a provision for the students to improve their sessional marks (CA) where as certain other courses have the provision for the students to improve their sessional marks.
2. A student joining for the BHM course should complete the course with in 8 year time period and have maximum four chances to attempt a paper for the University exam. This may be considered for revision as in other professional courses.
3. There are only three Colleges under University of Kerala conducting 4 year BHM programme. The University examinations are conducted semester wise and it takes nearly a year for the student to attempt a supplementary exam. So there by the chances for them to attend an exam is very limited.

In the letter it is also stated that the BHM course has a six months internship which makes the student unavailable for attempting the supplementary exam of certain semesters. Most of the students get job placements outside the state and will not be in a position to come back for applying for supplementary examinations. So if enough chances are being given they will have the chance to complete their Degree.

Accordingly, the matter was placed before the Board of Studies in Business Management (Pass) and the recommendations of the Board endorsed by the Dean, Faculty of Management Studies are as follows:

1. Regarding the provision of improvement of sessional marks (CA), it is resolved that the students may be allowed to improve their sessional marks along with their junior batch.
2. Regarding the number of chances to complete the course, it is resolved to continue the existing practice, i.e. within 8 year time period.
3. Regarding the supplementary exams, it is resolved to continue with the present practice.

As per the orders from the Hon’ble Vice Chancellor, the matter is placed before the Academic Council for consideration.

The Academic Council RESOLVED to approve the recommendations of the Board of Studies in Business Management (Pass) with regard to the Bachelor of Hotel Management and Catering Technology.

89. Merger of the Faculty of Commerce and the Faculty of Management Studies and the formation of Faculty of Business Studies –Consideration of - reg:- (Ac.A.IV)

In a progressive society, the students of Commerce and Management Studies are expected to get familiarized themselves with the skills in specialized areas such as management, international business, marketing, accounting, management information system and entrepreneurship. They must also develop competence in sensing the impact skills on their own lives and on society.

These two disciplines – Commerce and Management Studies – put together are universally known as Business Studies. At the national level, in almost all Universities, following the global system as such the practice adopted is that they have been offering PG and UG Programmes in Commerce and Management Studies under a common Faculty either titled as Faculty of Commerce and Management Studies or Faculty of Business Studies.

This has been providing the benefits of bringing the teachers possessing proficiency and expertise in the same subjects together under a single window for extending their services jointly or severally to the advantage of students and researchers in a more efficient manner. This arrangement is also useful to save cost and time with the effective utilization of available resources.

Such being the case, it is suggested to consider the merger of Faculty of Commerce and Faculty of Management Studies and the formation of Faculty of Business Studies so as to bring the PG and Pass Board of Studies’ of Commerce and Management Studies under a common umbrella, suitably amending the Statutes.

95. Introduction of new Scheme & Syllabi for 5year Integrated BA:LLB Degree course, 3year Unitary LLB Degree course w.e.f 2018-19- Representation from Principals of various Law colleges, requesting not to implement the same –Consideration of - reg.  (Ac.A.III)

The Principals of four Law colleges under the University of Kerala have submitted a representation to the Hon'ble Vice-Chancellor regarding the introduction of new scheme and syllabus for the 5 year integrated BA LLB degree course w.e.f 2018-19. It has been informed that no communication regarding the proposal to change the syllabus from this academic year was forwarded to any of the Law colleges affiliated to this University. Further, as per normal procedure the draft syllabus with proposed changes would be circulated among the Colleges for comments and suggestions before being finalized by the Board of Studies. Unfortunately the Board of Studies does not reflect a fair representation of the Faculty from the affiliated colleges.

Besides the above, there are other substantive reasons as to why the new scheme and syllabus should not be introduced in this academic year (2018-19). The scheme and syllabus of BA LLB programme alone was reviewed whereas, University is offering BBA LLB & BCom LLB Integrated programme. Most of the Law colleges including Mar Gregorios College of Law offers 5 year LLB programme in the entire three streams ie, BA/BBA/BCom LLB (5year). Hence any change in the scheme and syllabus should be a comprehensive one applicable to all the three streams of LLB courses. Secondly except in the components of BA/BBA/BCom LLB (5year) integrated courses there exists uniformity with regard to the total number of Law papers and their semester wise distribution among all the three streams. University cannot confer the same law degree on courses having different number of papers and course contents. Besides, University will not able to conduct either the main or supplementary exams commonly for the three streams of 5 year LLB Degree courses, if there is no uniformity in the distribution of Law papers.

The stipulation that there should be three papers in Malayalam BA:LLB Degree course will not stand legal scrutiny as it is against Bar Council norms. If Malayalam is made compulsory without providing for an option to choose any other language, students whose mother tongue is not Malayalam cannot seek admission to Law courses in this University.

In view of the above stated facts, they have requested that the implementation of the newly introduced scheme and syllabus for the 5 year BA:LLB course may be stayed forthwith and the Board
of Studies may be directed to formulate the scheme and syllabus of all the streams comprehensively as a single package after due consultation with the faculty of all Law colleges affiliated to this University. The Principal Law Academy Law College, vide representation dated 17.09.2018 has requested that the operation of the newly introduced Regulations, scheme and Syllabus for the 5year BA:LLB Integrated Degree course and Unitary Degree course in Law may be stayed forthwith.

It may be noted that, the Board of Studies in Law (Pass) at its additional meeting held on 16.03.2018, recommended that a draft Regulations, scheme and syllabus of 3year Unitary and 5 year Integrated LLB Degree courses are to be implemented from the academic year 2018-19 onwards as directed by UGC. The Board of Studies entrusted the Chairman to submit final corrected draft syllabi at the meeting of the faculty of Law. The revised BA English scheme and syllabus of 5year BA LLB Degree course which was approved by the BoS in English (Pass) is to be adopted as such. Similarly the revised scheme and syllabus of FDP in Business Administration (BBA) under CBCSS effective from 2017-18 and approved by the Academic Council on 15th April 2017 is to be adopted for 5year BBALLB Degree courses. Further, the revised scheme and syllabus of BCom (FDP CBCSS) to be approved by the academic Council scheduled in April 2018 is to be adopted for Integrated 5 year BCom.LLB Degree courses. The Faculty of Law at its annual meeting held on 23.03.2018 discussed the draft Regulations scheme and syllabus of Three year Unitary Degree course and 5year Integrated LLB Degree courses (Law papers) presented by the Chairman and resolved the following,

a) A workshop may be organized at Govt. Law College, Thiruvananthapuram to finalize UG stream.

b) As the syllabus of English papers of BA:LLB was prepared by the BoS in English (Pass), the syllabi of BCom, BBA streams which are not coming under the Faculty of Law may be referred to the concerned BoS for finalization.

The Faculty approved the changes to be introduced in the new Regulations of the LLB 3year and 5 year Courses. The Regulations and scheme of 3year Unitary and 5 year BA:LLB Integrated Degree courses were placed before the Academic Council along with the Faculty minutes. The Academic Council at its meeting held on 06.04.2018 approved the same. University Orders, NO. AcAIII/3/FoL-IV-C-1/2018, dated 03.05.2018. and NO. AcAIII/3/FoL-IV-C-1,3yr/2018, dated 02.05.2018. were issued and forwarded the same to all Law colleges under this University.

The matter was placed before the Syndicate held on 28.09.2018 ( Item No. 05.47) and resolved that the implementation of the revised syllabi for 5 year Integrated BA:LLB and Unitary LLB Degree course in Law from the Academic year 2018-19 be kept in abeyance and the earlier syllabus be followed for 2018-19 and these recommendations be placed before the ensuing Academic Council. The Syndicate further resolved to authorize the Standing Committee of the Syndicate on Academics and Research to hear the complainants and take up the matter with the members of the Board of Studies concerned and place a proposal for bringing in a revision of syllabi to be implemented from the next academic year.

As per the orders of the Vice-Chancellor the request of the Principals of various Law colleges and the resolution of the Syndicate to stay the implementation of the newly introduced scheme and syllabi of 5 year Integrated BA:LLB Degree course and 3year Unitary Degree course in Law, w.e.f 2018-19 is placed before the Academic Council for consideration and decision.

The Academic Council considered the above matter and RESOLVED to keep in abeyance the revised scheme and Syllabi for 5 year Integrated B.A LLB & 3 year Unitary Degree Course in Law proposed for 2018-19 admissions.

96. Placement/Promotion of teachers and appointment of Principals- rectifying Anomalies in the implementation of UGC Regulations, 2010-Disposal in SLP (C) No: 18938-18942- Consideration of-reg. (Ac.F.II)

The Government of Kerala, vide order GO (P) No:392/2010/H.Edn dt 10/12/2010 have adopted and implemented UGC Regulations, 2010 in the state of Kerala w.e.f 18/09/2010. At the same time it has been ordered in the Common Judgement of the Full Bench of the Hon'ble High Court of Kerala in WP(C) No:135739 of 2013 and other connected cases dt 23/02/2016, that ‘irrespective of whether the University Acts or Statutes amended in line with the UGC Regulations or not, in view of its adoption by the State of Kerala, w.e.f 18/09/2010 as per Govt orders dated
10/12/2010, the Universities and affiliated colleges in Kerala are bound to comply with the UGC Regulations.’

The delayed implementation of UGC Regulations, 2010, along with capping in the II and III amendments has created much difficulty for the teaching faculty under the University, and that other Universities in the State have accepted the above amendments without capping. It has been requested that these problems along with other anomalies in the implementation of the Regulation may kindly be noted and rectified to avoid further difficulties for the teachers for their CAS based promotions under the University.

Meanwhile, the Judgement on SLP(C) No.18938-18942/2017 filed by University of Kerala before the Hon’ble Supreme Court of India, dated 17.07.2018 regarding the date of applicability of the UGC Regulation 2010 reads as follows.

“The facts remains that the law has been settled by the High Court finally by the Judgment of the full Bench of the High Court of Kerala dated 23.02.2016 regarding the application of UGC Regulations. Therefore, it is only in the interest of justice and for doing complete justice between the parties to declare that the judgment dated 23.02.2016 will be applicable only from the date of the Judgment i.e. 23.02.2016, except in the case of the individual parties before the High Court. Declared accordingly.

With the above clarification, all these special leave petitioners are disposed of.

However, we make it clear that in case any University has amended the Statutes , prior to the date of the Judgment , the effect will be from the date as indicated in the amendment or the date of the actual order of implementation of the Statutes. “

The Syndicate held on 31.08.2018 vide item no: 04.112 considered the proposal for modifications in the anomalies in the implementation in the UGC Regulations,2010 and the proposed changes in the norms and procedures for the appointment of Principals, in the U.O dated 18.02.2017 in the Norms and Procedures for the Direct Recruitment and Promotion of Principals & Placement /Promotion of teachers, in Aided Colleges, and resolved that the item be referred to the Combined Meeting of the Standing Committee of the Syndicate on Teaching and Non Teaching Staff of Private Colleges and Academics and Research.

The Combined Standing Committees of the Syndicate on Teaching and non-teaching Staff of Private Colleges, Staff, Building and Equipment and Academic and Research, held on 19/09/2018 considered and recommended the following ,

1. In view of the Judgment of the Hon’ble Supreme Court in SLP(C)is 18938-18942/2017 on 17/7/2018, also reading the Full Bench Judgment of the Hon’ble High Court of Kerala, dated 23.02.2016, that academic qualifications prescribed by the University shall be Strictly adhered to in consonance with the U.O No: Ac.F II/UGC-R 2010/Norms/2017 dated 18/02/2017 . However, the committee observed that the UGC Regulations, 2010 envisages appointment of Principals only through Direct Recruitment and hence, the conditions stipulated in Kerala University Act 1974, Chapter VIII clause 56(2) (3) relating to appointment of Principals, by promotion in Private Aided Colleges through the criteria of seniority-cum-fitness shall be valid. The Committee resolved to recommend the U.O dated 18/02/2017 be amended incorporating the above recommendations.

2. The Committee further noted that the Gazette Notification regarding the implementation of UGC 2010 was issued on the basis of the resolution of the Academic Council w.e.f 23/11/2013, but the further procedure for incorporating the requisite amendment to the University Statutes was not done on account of non receipt of certain essential clarifications from the Government. Since the amendment to the Statutes has not been accomplished the Committee recommended that the date of applicability of UGC regulations,2010 in the case of University of Kerala be also fixed on 23/02/2016 ie the date of Full bench Judgment of the Hon’ble High Court of Kerala.

3. The Committee noted that the exemption while granting the extension of effective dates for participation in Refresher/Orientation Courses fore teachers who had the date of promotion up to 2008, the UGC envisaged the benefit to all those teachers who were promoted under...
1998 Regulations. Since effective date of implementation of UGC regulation 2010 has been extended up to the date of implementation in University of Kerala, the benefit of the extended date of participation in Refresher/Orientation Courses shall be made applicable to all those teachers whose date of promotion falls on or before 31/12/2013.

4. The Committee observed that the existing templates for assessing the API scores may be modified in line with the simplified norms prescribed in UGC Regulations, 2018, especially relating to the nature of approved publications and proposed a modified template (excluding the criteria of capping, 5% relaxation of marks, from 55% to 50%, to Ph.D holders who obtained their Master's Degree before September, 1991 in Associate Professor Stage 3 to 4, to award points for project guidance to PG and UG students as 3 and 2 points respectively), along with the existing template, for CAS promotions of teachers in Colleges and University Departments, wherein they shall be allowed to exercise option of UGC Regulations 1998 or 2010, for the purpose of Placement/Promotion, and also the modified proforma for CAS promotions for Librarians of the University. Further, recommended to the Syndicate to forward the proposals to the Academic Council for consideration and approval.

The Syndicate held on 28/09/2018 resolved to approve the recommendations of the Combined Standing Committee and to place the matter before the Academic Council for consideration. The Vice Chancellor has also ordered to place the matter before the Academic Council.
