About the Department

The Department is one of the earliest of the teaching and research departments started in the University of Kerala and the first of its kind in Economics in the State. The Department offers MA, M.Phil and Ph.D courses. The Department library has an impressive collection of more than 16000 books, Journals, working papers, dissertations and data bases. The focus of the department is Applied Economics & Development Issues of Indian Economy in general and Kerala Economy in particular . The mission of the department is searching for suitable alternative methods of knowledge on the basis of the heterogeneity of societies. The Inter University Centre for Alternative Economics (IUCAE) and the Cost of Cultivation Scheme funded by Govt. of India are attached to the department.

Achievements of the Department

During the 60 year period, the achievement of the Dept. is spectacular in bringing out brilliant and eminent personals rendering their services in various national and international institutions of repute. During the period, 8 students of the Department got IAS, 15 IRS/IES/IPS, and more than 200 were placed in various universities/research institutes/ colleges. As of now, 105 researchers in the department were awarded Ph. D. degree in economics; 17 Research Projects were submitted to the Govt. & other Agencies; 335 articles and 58 books were published by the faculty members. During the last five years, 86-95 % students got First Class and Distinction, 15 students got JRF and 56 passed UGC-NET.
