

University of Kerala
Engineering Unit, Kariavattom

**Tender Schedule for the supply and installation of PA system at Department of Economics-scheme on study on the cost of cultivation of
Principal crops in Kerala**

Sl.No.	Quantity		Specification	Unit	Rate	Rate in words	Amount
1	1	no	Supply and installation of PA Amplifier 120 W RMS with Digital player/recorder, 5 Mic and 2 Aux Ahuja model SSB-120 DP/BOSCH/JBL	E			
2	4	nos	Supply and installation of PA wall speaker 30 W on 100V Ahuja model SMX-302 T/BOSCH/JBL	E			
3	1	no	P A UHF Wireless Microphone provides 100 selectable frequencies infrared channel Synchronization between receiver and Transmitter. RF Out put power 10 m W (Max), frequency resp:50-15000 HZ, power requirement for Transmitter 3 V (2x1.5 VAA pencill cells. Ahuja Model AWM--900 UL/BOSCH/JBL	E			
4	1	no	P A UHF Wireless Handheld Microphone provides 100 selectable frequencies infrared channel Synchronization between receiver and Transmitter. RF Out put power 10 m W (Max0, frequency resp:50-15000 HZ, power requirement for Transmitter 3 V (2x1.5 VAA pencill cells.Ahuja Model AWM--900 U /BOSCH/JBL	E			

5	1	no	Ahuja /BOSCH/JBL Model 48 V Gooseneck Microphone with cable, Base PGM-625 & PGB-10	E			
6	1	no	Ahuja Model APS-302/BOSCH/JBL Phantom Power supply with mic cable	E			
7	1	no	Wall Mount Rack with glass door lock and power board 9 U	E			
8	1	no	Low noise cable with EP phone 5M	no			
9	1	Job	PVC wiring (60M) including materials, designing Assembling and integration, Supervision of Input Out put distribution and net working charges	job			
			TOTAL				

PAC Rs.

Guarentee period of PA system and accessories to be specified:..... Years

Defect liability period is 3 years

I/We agreed at quoted rates.
