

**Department of Physics, University of Kerala  
Kariavattom Campus, Thiruvananthapuram – 695 581, Kerala, INDIA**

**Quotation Notice**

Quotations are invited the purchase of an Electrochemical Measurement System (1 no) with the following specifications

Sl.No	Item	Specifications
1	Electrochemical Measurement System	Electrochemical measurement system with software for cyclic voltametric studies, Galvanostatic charge-discharge, etc. <u>Specifications</u> Out put voltage $\pm 10$ V or better Out put current $\pm 100$ nA to 100 mA or better Current resolution – 1 nA or better Potential resolution - $\pm 0.5$ $\mu$ V or better

Please quote your lowest price for the above item. Sealed quotations should reach “**The Professor & Head, Department of Physics, University of Kerala, Kariavattom, Thiruvananthapuram, Pin – 695581, Kerala**” on or before 17-2-2013, 3:00 pm.
